I used to be a member of a squash league and I would play matches some weeknights.

To be honest I was a useless player and I only played to see the men in tight shorts and the girls in short skirts.

One evening I was playing Karen, a stunning blonde with brown eyes, her hair tied in a ponytail and a superb curvy body. I was being thrashed as usual.

When running to the back of the court I slipped and fell on my bum, hurting my ankle in the process. "Stay there," said Karen, "I've got some spray in my bag."

She went to her bag in the front corner of the court and bent over it, flashing a pair

SQUASH UP

of white knickers that had ridden right up her peach of a bum.

That sight alone eased my pain and I started to get ideas. Karen came over to me as I sat on the floor, legs slightly apart. She sprayed my ankle and rubbed it gently.

I told her I had hurt my knee a bit as well and she obliged by spraying and rubbing my knee. By now I could feel my pussy getting wet.

She looked me in the eyes and told me how soft my skin felt as she stroked the inside of my thigh. This made me feel even hornier.

Something inside me told me to go for it. I clasped my hands on the side of her face and our lips met.

As our soft lips and tongues explored one another, one of her hands strayed to my pert breasts. Before long she was rubbing my pussy through my knickers.

Meanwhile I had lifted her skirt and my hand was inside her knickers fondling her gorgeous bum cheeks.

She backed off a little, peeled

my knickers to my knees and started kissing around my shaven pussy lips. As she ran her tongue up my slit I shuddered with pleasure.

She flicked and darted with her tongue and my whole body shook as I climaxed.

I was desperate to taste her so I moved around. Now she was sitting on the floor and I was kneeling in front of her. I took her wet knickers down.

I then saw the most beautiful shaven cunt I had ever seen. She had a perfectly formed slit and an erect clit wanting attention.

I ran my tongue from the bottom of her slit to her clit and she groaned and pulled on the back of my head. I lapped away, scooping her pussy juice into my mouth.

Her body started to jerk and she came to a shuddering orgasm. We lay in each other's arms enjoying the moment for a short while.

Then we quickly rearranged our clothes and walked off the court just as Stuart, the squash coach, came to lock up the club.

"You two look hot and sweaty. Good session was it?" he asked. Too right it was, we giggled to ourselves later!

Cindy, Northampton.

RUGGER BUGGER

So it started off like any other Saturday morning during the rugby season.

At 10 am I had eight bacon rolls and four mugs of coffee ready for my partner Dave and his three mates, Paul, Phil and Joe.

They don't play any more but they go to all the games at the local club, watch the match and get pissed.

This time, however, Dave and the guys insisted I go along too. Joe told me it would be well worth my while, adding that they had a surprise for me.

I went along, my suspicious mind working overtime. It was pissing with rain so we watched the match from the clubhouse and got drunk.

After a while, Dave leaned across to me and said, "You know that fantasy where you get fucked silly by a load of men? Well tonight's your night if you're up for it!"

I looked at the others, who looked back at me in anticipation. "Let's go for it!" I said, and we shared a taxi back to our place.

In the back of the cab Phil, the cheeky cunt, got his dick out and motioned for me to suck it. Dave egged me on, so I got on my knees and started to blow it.

Someone, I don't know which one of them, was rubbing my pussy through my jeans and Joe was playing with my tits. Fuck knows what the cab driver thought.

Back home we all piled into the sitting room. The lads did a 'Full Monty' for me, my pussy getting very wet as I watched them strip off.

Paul then knelt down in front of me and started taking off my top and bra, playing with my tits and sucking my nipples while fumbling with the buttons on my jeans.

Joe then took over, taking my jeans and thong off. He started licking my saturated pussy. Phil was next naked and offered me his cock to suck on.

I fed on it like a woman possessed, licking his balls and flicking my tongue over his bell-end, much to the delight of Dave who had settled in a seat and was wanking away.

The guys took it in turns to suck my tits, lick my cunt and get a blow-job.

Then Paul pulled me off the sofa and made me kneel in front of him. He slipped his cock into my soaking love tunnel and started to shag me nice and slowly.

Joe was lying under me sucking my stiff nipples while Phil was shoving his cock in my mouth. Dave chuckled a vibrator and some lubricant to Paul.

He continued to fuck away at my cunt while reaming my arse with the vibrator. It was at this point that I had my first orgasm.

They could all see I was coming to a climax, but only Dave knew I ejaculate when I cum. Paul pulled out and started licking my cunt while still plugging my butt with the vibrator.

into my tight puckered arsehole.

Then he slipped his prick up my arse to the hilt. It was my first double penetration and I loved it. Dave put his cock in my mouth and I wanked Paul off with a free hand.

After they had fucked me ragged, they put me on my back on the coffee table in the middle of the room. They took it in turns to shoot their loads over me.

I frigged my clit while they shot their spunk over my mouth and face.

It was my most fantastic sexual

"I frigged while they shot over me"

I came all over his face, which to my delight he loved. Then Phil lay down and told me to straddle his big fat cock. I did just that, and Joe started rubbing lube

experience ever and we hope to do it again soon, only with more men. Maybe you can help?

SHAGALUF

to come on stage and see who could be first to make one of the lads cum.

There was no shortage of volunteers, but as I was close to the stage I managed to get their first with my mate Sharon. We always have plenty of fun when we are out together, and I knew this would be no different.

We both removed our knickers and stood in front of the lads with our legs either side of theirs. Sharon looked at me and winked. Then she started to rub herself.

The lad sitting between her legs was enjoying the sight – I could tell by the state of his cock! I set to work on my guy.

I rubbed my fanny into his face, and as I swayed my hips he stuck his tongue out and licked my cunt. I turned around so my backside was in his face.

I bent forward steeply and took his

cock in my mouth while he buried his tongue deep in my arsehole. I sucked enthusiastically on his cock as it grew harder and harder.

The girls in the bar were cheering us on, which made me and Sharon go for it even more. I turned around again and sat on my bloke's lap. My cunt was so wet his cock slid up me easily.

I looked over at Sharon and she was in the same position as me. We both started riding the lads. Then the bar girls untied them so they had the full use of their arms and legs.

My bloke stood up, turned me round and took me from behind. I reached forward and started feeling Sharon's tits. The sight of my hands on her tits made her bloke cum.

Sharon jumped off his cock and knelt at the side of him so he could cum in her mouth. When he had finished she came over to me and kissed me full on the lips.

We opened our mouths so everyone could see the spunk transferring from her mouth to mine. This did the trick for my bloke and he filled my cunt with hot spunk.

This set me off, and as my cum juices mingled with his they ran out of my pussy, dribbled over his balls and spilled onto the floor. As we all stood up, the people in the bar clapped and whistled!

Leah, Lancs.

Last summer I went to Magaluf in Majorca, and I would like to tell *Swing* readers of an experience I had while I was there.

One night I went out to a bar called Bobby's. It was a fun night where all the bar staff (all girls) dressed in PVC, stockings and suspenders.

Every so often they would go outside and get blokes to come in. Then they would tie their hands behind them and blindfold them. If the lads were game, they'd lead them to a small stage at one end of the bar.

Once on the stage, all the girls (about seven of them) would start feeling the lads up, kissing and groping them. The ruder ones would get the blokes hands and rub them on their tits and pussies.

When the lads got into it, they would be forced towards a couple of chairs and held there while their pants were taken down. They'd be tied to the chairs and the game would begin.

When this happened to a couple of fit young blokes, the staff asked for a couple of girls

LAY-BY LADY LAY

In the summer, my husband and I holidayed in Devon. The car journey down was long and hot and I soon got bored.

I was looking forward to the holiday because we'd both been working hard and I was keen to relax and have some good sex.

As I thought about this my hand drifted down to my crotch and I started rubbing myself up through my knickers. My husband saw me and suggested I let the seat back and do it properly.

I lay back and undid the buttons that ran down the front of my little summer dress. I slipped my knickers off and started rubbing my pussy and tits.

My husband murmured at the sight of my body and I knew he had have a stiffy. I rubbed my clit even harder at this thought, not realising we were now on the dual carriageway.

We were alongside a lorry and my husband kept pace with him so the driver could get a look at my semi-naked body. The next thing I knew we had pulled into a lay-by.

My husband leaned over and kissed my cunt, his tongue licking up and down my pussy lips. I was in heaven, as he is a fantastic pussy eater.

I felt what I thought was his hand on my tits and opened my eyes to see a complete stranger rubbing my tits and squeezing my nipples.

I tried to sit up but my husband pushed me back down and told me to just enjoy it. By this stage I was too far gone to argue and just wanted my cunt fucked.

My husband obliged and slid his rigid cock into my dripping cunt. As he fucked me the lorry driver (Dave, as I later found out) took his cock out and started wanking.

I couldn't resist his cock inches from my face so I grabbed it and started sucking. I slid my tongue up and down his shaft and kissed his balls.

Then I took his whole cock into my hot mouth and gave him my best blow job. I couldn't get enough of his cock. It was much bigger than my husband's, a real mouthful.

The taste of him sent me into ecstasy and my orgasm ripped through me. My juices flooded over my arse onto the car seat.

My husband said he wanted to see Dave's thick cock in my cunt and I was happy to oblige.

With my husband sat in the back and with me on all fours, Dave took a firm hold

of my hips and slammed his cock into me hard. I squealed as he stretched me.

My husband shut me up by shoving his dick in my mouth. It was my fantasy coming true, a cock at both ends. It was incredible and I could feel a massive orgasm brewing.

Dave was really pumping my cunt hard, his balls slapping against my arse. I could feel his cock swelling as he reached his climax.

Just as he shot his spunk up me he shoved a finger up my arse. My whole body trembled and I screamed as I came. My orgasm just kept going as my husband filled my mouth with cream.

Dave has promised to call if he ever has a delivery in our area. I can't wait!

Carrie, West Sussex.

A NICE GAME OF FOOTIE

Most blokes moan about how much a woman can spend on a pair of shoes - not me. If my girlfriend Lisa wants to blow her hard-earned on some sexy boots or stilettos, that's fine by me - and I'm happy to add to her collection as long as she lets me have my fun too.

The other week, she came home with some knee-length lace-up boots in black leather, with five-inch chrome heels. She just stood in front of me, stark naked apart from the boots, and I just stayed on my knees wanking until I'd sprayed

the shiny black leather with my spunk.

And it isn't just boots and shoes that turn me on - Lisa's got such a gorgeous pair of feet you wouldn't think she'd worn a pair of killer heels in her life.

About a month ago, I booked her in for a pedicure at a posh salon, just for a treat. Her feet

**"I spread my cum
on the
soles of
her feet"**

looked absolutely perfect when she got home; softer than ever, with red varnish on her toenails. She'd also bought this really rich foot cream the salon had recommended, and asked did I want to rub some in for her at bedtime.

I overdid it, squirting a huge glob of it all over her foot, but it didn't go to waste. I spread it all over the soles of both her feet, then shoved them together around my cock.

I squeezed and massaged them around my length as I fucked in and out, slow and deep. Of course, with Lisa being naked, this had the added bonus of splaying her

juices. Then it would be me who got to suck those perfect pink toes clean of every drop.

So far, the closest I've come to it is fingering Lisa's twat into a creamy, frothy mess,

then scooping out the juices with my fingers and smearing them on her toes. I was tempted to ask her to see if she could lick them but I was even more desperate to do it myself.

Sometimes when we're out together in the summer, or at a swimming baths, I'll see her sneaking looks at other women's feet. Maybe she's looking for another girl to bring into our foot games - well, that's what I like to think. More likely, she's just seeing how their feet measure up to hers. Well, no one's even come close yet...

Andy, Oxford.

knees really wide and laying her twat wide open.

I'd planned to fuck her feet and spunk on her soles, but instead I just aimed my jizz right at her twat, splashing it all over - and I got to wipe the last few drops over her feet.

She also let me wank on her feet, leading to one of the horniest sights I've ever seen - trails of spunk running down from her ankles and over her toes with their perfect red polish.

It's a thought I often use when I'm wanking on my own and sometimes I let my imagination run away with me. Lisa's done some yoga and I wish I'd thought to ask her to try licking my spunk off her own toes.

Even more, though, I'd love to see another woman suck them clean. Then I could watch Lisa fuck her by sticking her big toe into her friend's smooth-shaved twat, while I wank over the sight of it pumping in and out all coated with fuck-

Head 2 Head

Mystique, Rucphen

It's not just Amsterdam – even the smallest Dutch town swings, as Angus Brown discovers

As this issue's deadline approached, I found myself in Amsterdam again, and I had a number of clubs to choose from, but I wanted to go off the beaten track a little. An old friend of mine from the USA is always going on about one place he's visited, saying that it was worth the trip, so it seemed like an ideal time to explore.

Rucphen is a small town just over the Dutch border as you travel from Antwerp towards Rotterdam. It's a picturesque place, and home to Mystique, a hot swingers club with a decent regular clientele who know how to party!

Leonard, my friend from the US, put me in touch the female friend he parties with when he's in the Netherlands. She goes to Mystique with him and, he said, he was certain that she'd be up for a party with me. He emailed my details to her and we made

contact, arranging to go to Mystique on a Thursday. I'm often wary about going to swingers clubs midweek, but Leonard assured me that Mystique would still be great, and that Layla, his friend, would guarantee a good time. Actually, what he told me was that she was great fun, great company, and the best fuck he'd ever had! He said that she loved to suck cock, and that she could never get enough. If only one of those things were true, I knew I'd have a fantastic time!

I flew in to Schiphol on the Thursday afternoon, and took a cab to Layla's place. She answered the door, already looking fucking glamorous. Blonde hair pulled back, lots of sexy, slutty make-up and a push-up bra that was struggling to keep her tits inside her low cut top. She wore a long skirt with a big dirty slit up the side.

We arrived at the club (she paid, which was a nice change), hung our clothes up and took a look around.

We entered and headed straight for the bar, always a good place to see who's around. I bought Layla something strong and we scoped the place out.

There were 11 couples

already there and it was only around 11pm. A good start. I struck up a conversation with the couple next to me. They said they were Canadian and travelled a lot, taking the opportunity to swing when they had the time. They'd been to Mystique a few times before. I told them about Layla, and how I'd come to be at the club, and about how I'd been told that Layla loves to suck cock. She blushed when I said that, but the couple started giggling, and the woman said, "That's a coincidence, I love sucking cock too!"

Well, that took

care of breaking the ice, and soon we were talking about playing together. We discussed having a straight swap, and they suggested that we head off to the Zebra room. As the name suggests, this place is kitted out in fake zebra stripe patterns. It's a little intense at first, but comfortable and clean, which is what you want at a club.

Once we were in the room together and relaxed, the woman asked me to lie down and unzip. "Put on a condom," she said, "then fuck me..."

I quickly slipped a condom over my cock and then let her wet pussy slide over me. I looked over to see that Layla was also naked, and she came and lowered her pussy over my face, her legs wide apart so her clit was positioned on my outstretched tongue. Then the Canadian guy came over and stuck his cock in Layla's gob as I licked her pussy. I was in heaven, my cock in a Canadian woman's mouth as I licked at gorgeous wet pussy. Layla started riding my face, grinding against it and getting carried away as she sucked frantically on the

round. Soon, I found myself at a jungle-themed room. There was a lot of action in there. A woman in her early 30s was lying on the floor, covered in cum, while her husband was telling her that she still had five more cocks to go until she had broken her own record. About five feet away was a delicious tanned babe with a great body. She leaned over, putting her hand in my trousers and easing my cock out, her hands soft and warm on my growing cock.

She took the head of my cock in both hands and started licking, like it was a lollipop. It felt really fucking good. Her eyes locked with mine and I got hard in a very short time. She let go and started unbuttoning her tight black velvet blouse. Underneath was a black sheer bra, low cut so the tops of her areolae peeked over the top. The skirt she was wearing would allow access to her pussy, so she left that on.

She took her left tit out of the bra, pulled the nipple up to her tongue and started to lick it as she had just licked me cock, lapping her tongue around the

before grabbing her thighs and pushing my whole length inside her.

As I started to fuck her gorgeous arsehole, she pulled away from the cock she was sucking and moaned, "Spank me, spank me and fuck me!" I'm always happy to help, so I spanked her arse as I carried on fucking her pretty hard.

I heard the guy say that he was cumming and she pulled her mouth away so he could cum over her tits, while I was still fucking her. She moved then, so that she could pay more attention to me. I don't know what exactly she did, but the change tightened her grip on my cock, and I came pretty much straight away. I had no warning, I just started spurting and moaning, until the last drop of cum had leaked from my cock.

I pulled out of her and slumped onto one of the mattress. I was completely fucking spent. My position was soon filled by an onlooker. I gathered my composure and walked back to the Zebra room and Layla who was still sucking cock. I waited about 20 minutes until she had had her fill. Then we got dressed, went to her place and

showered and fucked.

I'm not sure if the quality of the couples that night at Mystique is indicative of the normal crowd. I'd check it out though, because that place was seriously hot! They had the best looking couples I have ever seen at any swingers club!

For more info, visit Mystique online at www.parenclub-mystique.nl

"I covered her arse with pussy juice and fucked it"

cock in her mouth.

I started to thrust into the Canadian woman's mouth, grabbing Layla's tits. Then I heard Layla say, "My turn," and the girls changed places.

Layla let me watch as she pulled her big, wet pussy lips apart, grabbed my cock and pushed it inside her. I was treated to a beautiful view of the Canadian's pussy, as lowered it on to my face. I was getting action at both ends – cock and tongue! It was great. After that, I just concentrated on not coming for a while. I could hear Layla moan as I fucked her, and I heard the Canadian guy gasp as he came, obviously down Layla's throat. Then I heard her say, "Right, who wants to fuck my mouth now?" I guessed that there were other people in the room, but I couldn't see a thing.

I like to look at the sex going on at swingers parties as much as I like to take part, so I slid out from beneath Layla and went in search of some more action.

I stripped totally naked and wandered

side. I grabbed

my cock and started to wank. She was fucking sexy. She started to slide her hips down so that she was almost touching my cock, then she lifted up her skirt, revealing no panties and a split peach, but I couldn't really tell as her face was buried between some guy's legs. He was moaning like crazy and she was making very loud sucking noises. A real fucking turn-on.

I asked if I could fuck her up the arse. She said nothing, but nodded affirmatively. You don't get a chance like this often, so I was really ready to go for it. I put on another condom, then covered my fingers with juices from her pussy and smeared them around her arsehole. I slid a couple of fingers into her arsehole, and she started moaning loudly while she was sucking cock. I then lay down beside her, and eased the tip of my cock into her arse

equipment in Shropshire.

The only other dominatrix of note in the town is **Miss Julia Taylor**, who sees her slaves at an apartment in Madeley, having at one time operated from a former chapel in St. Georges!

Available six days each

a weakness, it is that she enjoys a good chat, but this does not delay the proceedings, she knows when to get on with the main course and is undoubtedly one of Telford's top independent dominatrices, boasting a fascinating array of equipment.

The two Telford dommes both have their own dungeons, but in Birmingham and the Black Country the local dominatrices tend to use one or other of the two dungeons for hire that exist there. In Walsall, they use the **Facility Studio**, which doubles as a studio for glamour photography on its first floor, but has a mind boggling array of equipment on its second floor, which is devoted to corrective services and which includes a medical area, an isolation chamber and plenty of more mainstream facilities, with plans afoot for a heavier room downstairs with even more interesting equipment in the not too

Having given you a taste of the best in the way of corrective services on offer in the London area some months ago, I felt it time to give you my views on the best that the West Midlands area has to offer.

Starting in Telford, the town boasts two dominatrices of particular note. Based in a discreet bungalow in Ketley is **Mistress Lucinda**, a well spoken and well built, attractive and intelligent lady who is game for most corrective services, including medical scenarios. Very versatile, if she has a speciality, it is wrestling – and being well over six feet tall she is listed on various websites devoted to amazons, the term familiar to those in the know for ladies who are particularly strong.

A further speciality of hers is lifting and carrying clients, but she is also into arm wrestling, smothering, etc. and has both male and female partners who are available for sessions involving multiple dominants. Within the house, she has a medical room, boasting a superb array of equipment and another room with magnificent suspension equipment as well as a lot of other top notch equipment, and probably boasts the best selection of

week, but needing a day's notice if you wish to see her on a Friday or Saturday, Julia served her apprenticeship at various private establishments before she went independent in 2009, but has been entertaining since 2006. Much recommended and originally an escort, she is no longer available for conventional services, but offers both kinds of corrective services, being prepared to be either dominant or submissive, as required. If she has

distant future. Two dommes who regularly use it are Mistress Elise of Walsall and Princess Viki of Wolverhampton.

Mistress Elise has been seeing slaves since the middle of the last decade, initially at the now regrettably closed Manchester Dungeon in Bury, and can be as gentle or fierce as the mood takes her, being keen on services as varied as tie 'n' tease, strap-on training, humiliation and wrestling.

Active on the scene since 2008 and dividing her time between a dungeon near the centre of Wolverhampton and the Facility Studio, **Princess Viki** has a colleague she can join up with for double domme sessions and used to do a lot of outcall sessions, though apparently no longer. She particularly enjoys strap-on training, degradation in all its forms and watersports, but offers a pretty comprehensive range of corrective services.

Based, unusually, at an upmarket private residence in the countryside to the south of Stourbridge, near Belbroughton is **Mistress Satine**, who has been known to venture down to London on occasions. A lady with an extensive and extremely informative website, she obviously takes her craft very seriously, her premises boasting an extensive range of equipment, notably an idiosyncratic low-slung stocks and a rack

which she can put it to very imaginative use, by virtue of an ingenious design where the leg restraint areas can be moved apart giving the mistress easy access to the area between. A wide variety of further corrective services are also on offer and she is just as happy to see ladies as men. She also has extensive cross dressing facilities and her website even boasts a members' area if you get well and truly hooked on serving this mistress. I had the pleasure of enjoying/enduring a session with her and her friend and colleague, Mistress Scylla and certainly found it an experience that I will remember. They acted out the role of spurned lovers and did so with great aplomb. I, of course had to be punished for two-timing them and duly was. They were considerate when they needed to be

yet frightening at the appropriate times, i.e. most of the time and yet stayed within the boundaries I set. Mistress Scylla has now called it a day, but I feel sure Mistress Satine would be more than a match for any potential slave whether he or she was experienced or completely new to the scene.

The top dungeon in Birmingham is undoubtedly **Exodus UK**, run by the magnificent Lady Ileash. It occupies a spacious warehouse on the east side of the city, running to 25,000 square feet of space available for sessions of all kinds as well as filming and photography. It is made up of an interesting variety of rooms comprising two well equipped dungeons, a medical room, a cold and damp cellar, a judicial cell block, a room dedicated to suspension and a room for relaxing in, which can also be used for

domestic scenarios. A cross-dressing service is available and they even arrange parties from time to time. Furthermore they also have plans under way for a fully equipped wet room.

Lady Ileash comes up personally with services ranging from corporal punishment to kidnapping to tie 'n' tease. And with her colleagues, she has now

"Viki offers duo domme sessions"

The last dominatrix of note to be found in Birmingham is **Queen Isis**, a mixed-race lady. Using a variety of names and associated websites, Queen Isis has been on the scene for several years and can come up with either corrective or conventional services, though

to be contacted a day in advance for weekend appointments, Mistress Nadine is clearly the city's leading dominatrix. It would seem she turns over almost her entire home to her craft boasting a fantastic array of equipment everywhere from her kitchen to her bedroom.

With three lots of suspension equipment as well as a medical examination chair, breath control equipment and a vacuum bed, Mistress Nadine is an experienced mistress with an interesting variety of services on offer, and plenty of fans eager to submit to this cheerful yet forbidding mistress. Next time – George checks out yet more dommes in London.

taken to coming up with slave training days once a month. This is clearly a lady with hidden depths.

If it is going back to your school days that you crave, the lady to see in the West Midlands is **Lady Penny**. Based on the south side of the city and seeing slaves since 2009, Mistress Penny likes to think of herself as a good old-fashioned dominatrix concentrating on such services as severe CP, CBT and strap on therapy. She also has a notable schoolroom and particularly boasts an impressive manner when she deals with her naughty schoolboys.

On the north side of the city is to be found **Mistress Victoria**, a very experienced mistress who does quite a bit of training potential future dominatrices. Available with Miss Monet, who can be either a second dominant or a submissive, provided she is given two days notice, Mistress Victoria has been seeing slaves since 2009 and is particularly proficient in her use of canes and whips, but also delights in catering to foot fetishes and training transvestites!

it is corrective services that she prefers to come up with. And within the remit of corrective services, this lady is at home with humiliating her slaves either verbally or physically, extensive bondage, strap-on therapy, corporal punishment, financial slavery and can even be dominant over the phone. Furthermore, she is also available to be a dominant travel companion, though here, she endeavours to include an erotic element in her behaviour.

The last dominatrix of note based in the West Midlands is **Mistress Nadine**. Operating from a terraced house on the north side of Coventry and needing
